WHO WE SERVED

K2 Hawaii walked alongside a growing family of ministries in 2025, providing the accounting, business, and coaching support that lets pastors and leaders focus on what matters most: their people.

- ◆ We served **9 local churches**, the **National District Offices** of a major Christian denomination, **three Christian camps** in California and Illinois, and a **nonprofit leadership coaching organization** — delivering accounting and business management services that kept every ministry running strong.
- ◆ Our team provided **leadership and life coaching** to churches, Christian-owned businesses, and individuals — online and in person — helping leaders stay spiritually and emotionally healthy. This work reached beyond Hawaii, extending to **California and Europe**.

NEW MINISTRY SPOTLIGHT: ON TIME R.E.A.C.H.

2025 marked the launch of **On Time R.E.A.C.H.** (“Helping, Serving, Connecting, Reaching you... Right On Time!”), a new LLC formed under K2 to bring hope and consistency to youth in the Honolulu community. From weekly gatherings to hands-on service projects, OTR kept kids connected all year long:

- ◆ **Weekly Friday night activities** at community parks, in the MWH community, and at Kaumakapili Church — giving youth a safe, welcoming place every week.
- ◆ **Farm & beach day outings** that got kids outdoors, active, and connected to nature and each other.
- ◆ **Community beautification projects**, including neighborhood clean-ups that let youth give back to the places they call home.
- ◆ **Fundraising events** that built community support and sustained the ministry's growth.

SENDING STUDENTS TO CAMP

K2 also provided fiscal sponsorship and guidance to a client-formed youth ministry offering summer camps across its network of Youth Ministries. In 2025, that partnership sent **300 students** to local Christian camps — creating memories, friendships, and faith milestones that will last a lifetime.

Thank you for making this year of growth possible. Here's to what God will do next.
